

IONNYK

A magical piece of art

IONNYK is the only art photography platform that uplifts the experience of art, leaving room for creativity & imagination. Uncover the magic of wireless e-paper technology through the lens of timeless and high-quality art photography.
Any time, any place.

For the love of art

Your art experience will never be the same

Lifelike art photography

Experience art photography as it should be, without a backlight screen. Digital ink is your guarantee to high visual quality of art photography that feels like paper, no matter what light conditions. Only use the technology when you need it (up to 1 year autonomy). And get delighted by what you see.

Wirelessly connected

Say goodbye to annoying power cords and hang your frame wherever you want. Simple and easy. Do you prefer horizontal or vertical orientation? It's always spot on and accurate. We don't settle for less.

The result? Eye candy elegance guaranteed. Any time. Any place.

Smart experience

Sit back and slide yourself through your favorite themes, collections and stories. A tree at noon and a landscape at diner? IONNYK does it, whenever you want and at your pace. Sometimes even unexpectedly. What you see is a paper picture, what you get is magic. Just try it, you'll like it.
